CHALLENGE CAMP

Challenge Camp has been creating room for youth ministries from all denominations to come together in unity and meet God for over 20 years. Our goal is to see high schoolers stretched in their faith and everything we do at camp flows from this place.

The camp vibe is fun, loving, inclusive, creative, relaxed, pursues excellence (a radical minimum standard) and values growth.

Part of why Challenge Camp is so influential in the lives of teenagers is the commitment and love of the leaders at camp. The aim of Challenge Camp is not just to stretch the faith of the campers, but also to stretch us leaders in our faith as we serve at camp and grow to love God more. We would love for you to be part of Challenge Camp 2009.

THIS YEAR AT CAMP

This year at camp is going to be awesome! We are looking forward to seeing campers return, new faces and a new program for Challenge Camp 2009.

Challenge Camp 2009 will run at Crosslands Convention Centre, from October 2nd to October 9th. Campers will not arrive until the afternoon of the October 3rd and will depart the morning of October 9th.

Our theme for this year's talks is 'lost & found'. Each day the campers will be challenged & encouraged to know that the God of this universe is amazing, loves them & has done absolutely everything to give them new life in Jesus.

We are very excited to have Ferg Taylor speak at camp this year. Ferg is an experienced youth minister whose enthusiasm, humour & love for Jesus make him an excellent youth communicator. He lives on the central coast with his wife & family and loves to fish, golf and surf.

LEADING AT CAMP

Leaders are so essential for camp to happen and so we work hard to ensure you will have an enriching experience as the campers. We require leaders who are committed Christians who love serving in any capacity and who have a real desire to see teenagers grow in their faith. Everything else you need to know we can teach you!
